**10 Days National Workshop on**

**Techno-Pedagogical Skills for Teachers**

**Date – From 27<sup>th</sup> Nov. to 07<sup>th</sup> Dec., 2018**

**Venue: Room no. 216, TLC (2<sup>nd</sup> Floor), Swarna Jayanti Sadan**

**About TLC**

The Teaching Learning Centre (TLC) of Shri Lal Bahadur Shastri Rashtriya Sanskrit Vidyapeetha (Deemed University), New Delhi was established in the component of Centres of Excellence for Curriculum and Pedagogy under **Pandit Madan Mohan Malaviya National Mission on Teachers & Training (PMMMMNTT) scheme of MHRD, Govt. of India**. This scheme was launched with an intent to improve quality in educational development at all stages of education. The vision of the established TLC is to prepare Teachers, Teacher Educators and Researchers for empowering them to address the needs for designing, implementing and evaluating teaching-learning systems in the field of Sanskrit Education and augment concerns for research based strategies in respect to language pedagogy.

**Backdrop**

As it is well known fact that the present educational scenario is changing very fast due to knowledge explosion, digitalization and technological advancements at all levels of education. Consequently, pedagogical processes are continuously influenced by the emerging new technologies and Information and Communication Technology (ICT) supported tools, devices & innovative procedures. In keeping view of this, developing competencies and skills associated with using, applying and integrating technology in pedagogical processes is of utmost importance for promoting quality concerns. Thus, an urgent measure has to be taken-up for addressing the need for identifying and developing these competencies in teachers and teacher educators for ensuring their effective teaching learning transactions. In this backdrop, the present workshop intends to provide teacher educators a rich exposure to spectrum of techno-pedagogical skills on the one hand and orientation for developing insight in intelligent use of technology driven devices & procedures on the other.

**Objectives**

The workshop aims at empowering the teacher educators with competencies related to intelligent use and integration of techno-pedagogical skills for making their teaching interesting and effective. The objectives of this workshop are as follows:

- to acquaint the participants with a spectrum of techno-pedagogical skills.
- to familiarize the participants with technology supported tools, devices & procedures.
- to develop sensitivity towards choice of techno-pedagogical skills for effective pedagogy.
- to develop competencies for using techno-pedagogical skills especially in teaching learning processes.
- to provide platform for practicing and acquiring various techno-pedagogical skills.

### Target Group:

All teacher educators especially associated with Sanskrit Universities will be considered as the participants for this workshop.

### Workshop Registration:

There will be no registration fee for this workshop. The intake capacity of this workshop is 35 and registration will be done on *first-come, first-served basis*. The interested participants fulfilling the above mentioned criteria may send their duly filled *registration form* by downloading it from [www.slbsrsv.ac.in](http://www.slbsrsv.ac.in) and sending by mail to [tlc@slbsrsv.ac.in](mailto:tlc@slbsrsv.ac.in) along with NOC to confirm their participation **latest by 21<sup>st</sup> November, 2018** (NOC can be submitted during the workshop also). **In order to access to technological resources the participants are requested to bring their own laptop with internet connectivity for ensuring their active participation in the workshop.**

### Accommodation & Travel:
