**Venue: Room no. 216, TLC (2<sup>nd</sup> Floor), Swarna Jayanti Sadan**

### About TLC:

The Teaching Learning Centre (TLC) of Shri Lal Bahadur Shastri Rashtriya Sanskrit Vidyapeetha (Deemed to be University), New Delhi was established in the component of Centres of Excellence for Curriculum and Pedagogy under **Pandit Madan Mohan Malaviya National Mission on Teachers & Teaching (PMMNMTT) scheme of MHRD, Govt. of India**. This scheme was launched with an intent to improve quality in educational development at all stages of education. The vision of the established TLC is to prepare Teachers, Teacher Educators and Researchers for empowering them to address the needs for designing, implementing and evaluating teaching-learning systems in the field of Sanskrit Education and augment concerns for research based strategies in respect to language pedagogy. **The centre has been identified in the list of 30 new centres (II<sup>nd</sup> phase) for conducting one month mandatory Faculty Induction Programme (FIP) and also notified as National Resource Centre (NRC) for ARPIT-2018 & 2019 courses in the discipline Sanskrit by MHRD.**

### Backdrop:

Technological advancements and digitalization have not only revolutionized the 21st century education system but also the educational processes. In accordance with this, integration and application of technology in teaching, learning and assessment procedures becomes pertinent. Consequently, digital learning experiences emerge as the utmost requirement for digital pedagogy which helps in moving towards the mission of quality education for all. This also leads to a gap between the digital and face-to-face teaching learning experiences which can be bridged through online courses. Additionally, with the view to provide access to quality learning resources across the country, a major initiative by MHRD has been started in the form of SWAYAM - an integral platform and portal for online courses. In this backdrop, a 05 days national workshop has been organized with an intent to develop competencies and skills related to designing, developing and delivering the online courses through SWAYAM platform.

### Objectives:

After the completion of workshop participants will be able to -

- acquaint with the concept, objective and basic structure of online courses.
- familiarize with SWAYAM platform.
- develop insight in e-course designing based on four quadrant approach.
- develop competencies related to e-course development, delivery and its transaction.
- motivate and sensitize the learners for successful completion of e-course.

## Target Group:

- Language teachers especially of English, Hindi & Sanskrit.
- Teacher Educators from both traditional and modern universities.
- Higher Education faculty of all disciplines but preference to traditional disciplines such as Vyakaran, Vastushastra, Darshan, Sahitya, Dharamshastra, Jyotisha etc.
