Above cell has been authorized as a facilitative and participative organ of the Vidyapeetha for channelizing and systemizing its efforts and measures towards academic excellence.

The very first meeting of the Cell after its constitution was convened on 19.01.2010 in the meeting-room of the Vice-Chancellor late Prof. Vachaspati Upadhyaya. The Chairman of the Cell explained the objectives of IQAC to the members and invited the attentions of the members to the parameters related to Quality Assurance System in the Vidyapeetha.

The meeting of the newly constituted Internal Quality Assurance Cell of Shri Lal Bahadur Shastri Rashtriya Sanskrit Vidyapeetha was held on 21st September, 2012 at 11.00 a.m. in the meeting-room of the Vice-Chancellor of Shri Lal Bahadur Shastri Rashtriya Sanskrit Vidyapeetha. All above mentioned members were present except Prof. Ramanuj

Devnathan, External Member and Vice-Chancellor of Jagatguru Ramanandacharya Sanskrit Vishwavidyalaya, Jaipur.

The Chairman welcomed all the members of the Cell and the Manglacharan was performed by Prof. P.K. Dixit, Director-IQAC. After the Manglacharan, Prof. P.K. Dixit, Director-IQAC and the Member Secretary informed the members that the Annual Quality Assurance Reports of the Vidyapeetha pertaining to the year 2009-10 and 2010-11 are due for submission to the NAAC (National Assessment Accreditation Council). The reports cover almost entire activities of the Vidyapeetha for the years under consideration.

After going through the Annual Quality Assurance Report for the year 2009-10 and 2010-11, the members had lengthy discussion on the reports. After the detailed discussions, the Committee approved the Annual Quality Assurance Report for the year 2009-10 and 2010-11 with the following suggestions:

1. The information with respect to the all the Academic and other relevant programmes should be invariably sent to the Internal Quality Assurance Cell so that these may be included in the report of the respective year.
2. The website of the Vidyapeetha should be upgraded so that the stake holders may get the desired information conveniently. Further, Virtual Class Room Facility should also be started and proper window should be created in the website of the Vidyapeetha for the same.
3. All the teaching programmes should be recorded and some sample lectures of the class room teaching should also be recorded to improve the teaching standards.
4. The information with respect to the prize/award won by the teachers of the Vidyapeetha should be given to the Internal Quality Assurance Cell. The information in respect to the placement of the students of the Vidyapeetha should also be given to the Internal Quality Assurance Cell.

The Vice-Chancellor suggested that ICT facilities should be given to all the teachers and further it should be the duty of the individual teacher to inform the IQAC about his personal achievements including the information with respect to the prize/award won. The Vice-Chancellor also desired that compliance of the last NAAC report should be undertaken and suggestions of the NAAC Committee should be implemented at the earliest.

As per the guidelines of the UGC, the IQAC of the Vidyapeetha is required to prepare Annual Quality Assurance Report to be submitted to the UGC/NAAC as and when called for, in the prescribed format. Reports are to be prepared against 43 items; following action plan is proposed to be undertaken by IQAC for preparing IQAR.

2. New Academic Programmes Initiated (UG and PG)

All the UG and PG Departments have prepared syllabi for introducing CBCS programme with two open elective courses. In all Departments new courses have been introduced. This has already been implemented at PG level from the 2010-11 academic year and from 2011-12 this programme has been implemented at UG level accordingly.

The Department of Sankhya-Yoga under Darshan faculty is running PG diploma in Yoga successfully. The practical and theoretical classes are being regularly organised by Darshan faculty members and other learned guest faculty members from out side the Vidyapeetha.

The Department of Education has started M.Phil (Education) course from the session 2011-12

3. Innovations in Curricular Design and Transitions

The syllabus of all the departments for Masters Degree has been revised as per the regulations of the University for introducing CBCS. The syllabus of the different Departments of the Vidyapeetha has been re-designed their courses to:

- (i) Provide sound knowledge of other streams of Shastras too apart from their own main subject
- (ii) Cover syllabi of UPSC, PCS, SLET and NET as far as possible.

The Department of Sankhya-Yoga under Darshan faculty has re-designed its curriculum for diploma and certificate courses in Yoga (newly introduced) with emphasis on more practical knowledge by training in practical Yoga, Asana, Dhyana and different type of Hatha Yoga under the guidance of best Yogacharyas. The Department of Nyaya Vaisheshika under Darshan faculty has introduced subject textbooks written in English by reputed authors to develop skill among students to express their traditional Shastric views in English to spread the teaching of Nyaya philosophy in abroad.

4. Inter-disciplinary Programmes Started

- a) The Department of Nyaya-Vaisheshika and Mimamsa conducts seminars/conferences/workshops in interdisciplinary fields regularly.
- b) The University Grants Commission granted the extension for the addition of course on Jyotish and Vastu under the Department of Jyotish and permitted the Vidyapeetha to continue the Diploma Course in Innovative Programme - Vastu under the Department of Jyotish by merging the said programme in the maintenance grant of the Vidyapeetha.

- c) Centre for Women's Studies at Vidyapeetha was established in 2006 during the Xth five year plan of the UGC Scheme. Focus of the centre is on Study and Re-interpretation of Ancient Texts from women's perspective. This centre was headed by its Director, Prof. P.Geetha, upto October 2011. After that Dr. Rajani Joshi Chaudhary took over the charge as Director in-charge on 1st November 2011. This centre for Women's Studies has been extended for 12th five year plan by UGC.

The centre conducted the **Foundation Course in Women's Studies** for the students of Shikshashastri (B.Ed.) from 30th January, 2012 to 10th February, 2012.

An extension Lecture on "Gender and School Education" was organized for the students of Shikshacharya (M.Ed.) on 28th March, 2012.

On the occasion of **'International Women's Day on 8th March, 2012** many competitions, such as Essay Writing, Original Poem Recitation, Chart Making and Speech Competition, were organized on contemporary themes on women for all the students of Vidyapeetha.

A Health Camp was organized on 20th March, 2012 with the collaboration of Rockland hospital for the students, faculty and staff members of the Vidyapeetha.

A project was completed by Dr. Rajani Joshi Chaudhary titled '**A study of Women's Educational Aspirations through Ages**'.

A document containing news and articles relating to women has been prepared by collecting news paper clippings from different Hindi and English news papers.

A project on 'Sanskrit Education for Girls' was submitted by **Mrs. Savita Rai**.

The National Institute of Science Communication and Information resources, New Delhi vide its letter No. LSL/ISSN/INF/2010-11 dated 23/11/2010 has registered and assigned ISSN (print) No. 2229-36 – 6336 to the Journal "SUMANGALI" published by the Centre for Women's Studies.

- d) The schemes and programmes started in the beginning of the Plan period remained in force during financial year 2011-12 as well. Special Assistance Programme in the Department of Jyotish and in the Department of Sahitya and Sanskriti, Career Oriented Programme and Scheme for Coaching for SC/ST and OBC students (Remedial Coaching) are some of the important programmes.
- e) The department of Veda trains the students in Shukla Yajurveda. The faculty members are also helping other departments in providing training to students in chanting hymns. This traditional discipline is attracting brilliant students who dedicate themselves to the study of the most honoured Indian knowledge system. Vedas have been acclaimed and accepted as a reservoir of profound knowledge. This department also conducts Vedic classes for the benefit of the general public.
- f) The Department of Dharmshastra plays a vital role in preserving the Smriti tradition. It has considerable importance in the present day context with a lot of scope in understanding the ancient Indian legal system especially in the field of women rights,

property rights and socially marginalized classes. In order to create awareness among students, components of the Judgments of the Privy Council, Supreme Court and other sub-ordinate courts are also included as special papers. The department's special interests are some of the areas of contemporary relevance and interests like Human Rights, Culture, Legal studies and Environment. Revisiting Smriti texts in the context of modern societal problems like child marriage, abuse of child labour and gender inequality, are the thrust areas of the research in this department.

- g) The M.Phil, Ph.D. programmes in Indian Philosophy and other traditional subjects is encouraging candidates on interdisciplinary subjects.
- h) The Vyakaran department offers courses in Prachin Vyakarana and Navya Vyakaran. The courses at Shastri and Acharya degree level are in popular demand. The department regularly conducts discussion wherein the faculty members thoroughly analyse and critically study various texts and linguistic theories.
- i) The department of Paurohitya is established with the main objective to develop and preserve Indian cultural heritage. The department offers undergraduate and postgraduate courses. The certificate and diploma courses are also quite popular attracting more students because of being practical- oriented and vocational courses of the traditional set-up. It is very encouraging for people who engage themselves in these traditional rituals and religious practices. The department trains students who become eligible to act as priests, preachers and messengers of Hindu traditions & provide knowledge of scriptural texts especially to the Army, Navy and Air Forces.
- j) The Department of Jyotish conducts a 03-year graduate course- Shastri (B.A.), 2-years Post Graduate course, Acharya (M.A) and Vidya Varidhi (Ph.D) Programmes, which aims at preservation and perpetuation of Shastric tradition. All the courses are conducted in Sanskrit medium. In addition to a one-year certificate course in Jyotish Prajna, a Diploma course in Jyotish Bhushan is also conducted under self-finance scheme. The department is further imparting basic fundamental principles of Jyotish and their applications in day to day life of the people. Under innovative programmes (SAP- DRS-I and II Jyotish) of UGC, Vidyapeetha conducts two-year PG Diploma Course in Vastu and one year course in Medical Astrology.

In the Academic Session 2011-12, 5 special lectures were delivered by outside scholars and 10 special lectures were delivered by provincial scholars under this programme.

Career Oriented Programme

The department of Jyotish has also started a career oriented programme of Jyotish and Vastu during the XI Five Year Plan, w.e.f. the financial year 2008-09 for a period of 5 years. This Career Oriented Programme is being regularly organized by the department.

Panchang

The Jyotish Dept. published a "Panchang" Samvat 2069. Panchang is prepared on the basis of location of New Delhi, the Capital of India, situated at 77 '12 ° East longitudes and 28 °38 North Latitudes. This has been prepared on the basis of Chitrapaksiya Nirayana method. This Panchang gives the details of fasts (Vrata), festivals and different methods of preparing horoscopes and forecasts for the complete year. This Panchang is prepared with the assistance of Prof. Prem Kumar Sharma, Prof. Devi Prasad Tripathi and other experts of the Jyotish department.

- k) Sahitya is one of the major departments of our Vidyapeetha and is active since the inception of the Vidyapeetha. Shashtri and Acharya in Sahitya are very much in demand and almost double numbers of applications are received against the sanctioned seats. Considering the fact that general universities and affiliated colleges teach this subject, employment prospect is more for students of Sahitya & Sanskrit. There are eight research scholars currently in the department. Four students of the department have cleared the NET examination. The teachers of the department have undertaken projects funded by UGC. Cultural programmes like drama and debates are also conducted and organized by the Sahitya Department during the year.
- l) The department of Puraneitihas started with the objective of projecting the knowledge about Indian tradition, social and geographical set up embedded in the Puranas. The in-depth study of the Puranas can create a strong impact on various fields of Indian tourism, Indian medicine, Indian cuisine, Indian narrative tradition and Indian behavioural & cultural patterns which are of great & cultural interest to people from all over the world. Puraneithihas is one of the subjects opted by the students in the Vidyapeetha. Puranas are a compendium of many branches of learning. A study of Puranas introduces the students to our narrative tradition. It also provides them opportunities for research and doing activities of higher learning in other branches of knowledge. The department conducted workshops on the importance of Puranas, its characteristics and social relevance.
- m) The department of Prakrit is a special feature of the Vidyapeetha as Prakrit is not taught in any of the Sanskrit Universities. It is comparatively young department, started in 1997. It is commendable that so far 10 students have cleared NET examination since the department's inception. The teachers of the department have been invited to foreign countries to deliver lectures on Jain Religion and Philosophy. The department plans to strengthen its library by getting books from private collections.

- n) Besides traditional subjects, the modern subjects like Hindi, English, Sociology, Political Science & Computer Science are also being taught.
- o) Nyaya Vaiseshik is one of the most difficult systems of Indian philosophy and requires indepth study. Prachin Nyaya and Navya Nyaya are the subjects of study for Acharya, since the inception of the Vidyapeetha. The department is engaged in editing and translating the books and reading materials which are not readily available. Simplified texts to facilitate proper learning for the students are also prepared and published. The students are made aware of the use of ancient texts in tackling the issues and problems confronting contemporary society. It also prepares the students to be able administrator. An understanding in Nyaya Vaisheshik philosophy is essential for the understanding of any other branch of philosophy.

The Department also proposed to start a Diploma course in very near future to facilitate those students who are preparing for IAS, PCS, NET, JRF etc. accordingly to their expectations. This course has been designed in such a way as to raise awareness among students about Indianness, tolerance and other human values. This may also pave the way for establishing peace in society and try to inculcate the insights of the Upanishads, the Geeta and the Puranas among the young generation.

The teachers of the Nyaya Vaiseshik department, in addition to their teaching work are being engaged to organise and attend seminars conducted by this Vidyapeetha or other different Universities. They have been invited to participate in Shastrarths, Symposia, extension lecturers and workshops regularly by prominent academic institutions at national and international level.

- p) Sankhya Yoga is an important aspect of Indian philosophy. With the special interest shown in Indology all over the globe, courses in Sankhya Yoga are very relevant in modern era of knowledge. In this twin subjects Sankhya and Yoga the emphasis is on metaphysics. They are complimentary to each other in the sense that Sankhya analyses the concept of Prakriti (matter) and Purusha whereas yoga lays greater emphasis on in depth psychology and believes in the elevation of human soul by following the ways and means of realizing it. Sankhya, the ancient tradition enunciating the theory of Satva, Rajas and Tamas is correlated with Newton's laws of motion and inspires to understand quantum physics. For the past 35 years, the department concentrates on higher learning, teaching and research. About 600 students and 50 research students have passed out from this department.

In this session National Seminars has been organized by the Nyaya Vedanta and Jain Department on the different subjects. In these Seminars, the teachers of Sankhya Yog Departments actively participated and presented their articles too.

- q) Whereas the conventional universities teach Indian philosophy in general terms, Sanskrit Vidyapeetha offers a more focused and in depth study of Advaita Vedanta, a popular system of thought in Indian Philosophy. The department often functions in

close collaboration with other departments of the faculty of Darshan. The teachers of the department, in addition to their teaching work attend seminars conducted in Mutts and are invited to participate in Shastrarth, Symposia and workshop at prominent academic gatherings.

- r) Visishtadvaita Vedanta is a specialized traditional subject which was taught only in South India. Vidyapeetha started this department in the ninth plan in order to bridge this gap. The department's major activity is research seminars and discussions. Textual interpretations and comparative analysis of major system of Vedanta are some of the contributions of the department. The department in future proposes to edit books that are out of print, with annotations and bring out Hindi translations of those texts. Research interests of the department will assign priority to some major problems related to other systems of thought with reference to Visishtadvaita Vedanta.
- s) Considering the rich knowledge with respect to philosophical speculations contained in the Jain texts, there was a long felt need for a separate department for in-depth study of the tenets of this significant system of thoughts. In New Delhi, it is a unique department of its kind. It is established with the main objectives of making the Vidyapeetha a representative of Indian tradition.

Jain literature is a vast field and the cultural material hidden in it is of immense importance. Jain Darshan as a source of cultural history is as important as Vedic or Buddhist studies. It is all in Sanskrit, Prakrit and Hindi. Jain philosophy has a lot in common with Hindu philosophy and it has its own peculiarities too. Atomic theory, Karmic theory, theory of Anekantvad, Syadvad, Nayavad, theory of Ahimsa, spirituality, methods of meditation and non-violence are useful in today's world. The department concentrates on teaching and research. Since its inception the department has contributed in a major way to understand the views projected in other systems of thought.

The Department proposes to translate some major texts in Hindi and will take up interdisciplinary studies. Publication of a departmental research journal has been planned in coming years. To start certificate course and Diploma course in Jain philosophy, organization of national and international seminars, editing and publication of ancient basic texts are all part of proposed plan of action.

All the teachers of this department participated in different National and International Seminar and presented their research papers accordingly. It is also commendable that these papers published in different reputed research journals (ISSN) of India. The book titled “Darshnik Samanvya ki Drishti Nayavad” and “Ahimsha Darshan: ek Anuchintan” written by Dr. Anekant Kumar Jain published in this year.

So many students of this Department participated in University level competitions and got 1st, 2nd and 3rd position respectively. Three students of this Department Mr. Pratap, Mr. Ravi and Miss Premlata cleared the UGC JRF and NET exam successfully.

This Department got a huge literature in book form as a gift for its library by Acharya Kanknand Ji related to Dharam Vigyan Shodh Sansthan, Udaypur.

- t) The opening of a separate department of "Sarva Darshan" is a unique feature of the Vidyapeetha. Sarva Darshan covers the knowledge in various texts belonging to different philosophical orientations. Exposure to all systems of philosophy helps the student specialize in more than one field of Indian philosophy and to carry out interdisciplinary studies. The faculty members have also taken up many research projects. The teachers of this department specialize in different Indian philosophical thoughts. The students completing the course in Sarva Darshan find it useful to get into Indian Administrative services. Alumni of the department have taken up teaching positions in various educational institutions in Haryana, Rajasthan and other places. Dr. Hareram Tripathi has bagged awards. The department in order to give new dimension to existing curricular proposes to include some important area of western philosophy especially Greek and Chinese philosophy. It is a matter of concern for the department that the Kashmir Sarva Darshan is vanishing from the academic arena. Knowledge and research in this branch of philosophy are necessary for the society. The department proposes to collect, edit and publish the summary of all texts in this field in a single volume.

There is also a plan to prepare "Sankhyayoga Darshan Dictionary" as an annotated text with explanation. Hindi translation of rare texts is also one of the activities planned.

- u) Mimansa is a new department started in 1998. The subject was popular in Southern states only. The department was started in Vidyapeetha considering the fact that it was useful in understanding the philosophy and intricacies of Yajna. Mimansa has also become prominent because of certain judgments pronounced on the basis of Mimansa rules of interpretation. The department proposes to prepare a classified document of all the judgments of Privy Council which were delivered, specially in cases of law of inheritance, law of adoption and women's rights. In collaboration with Centre for Women's Studies, the department plans to undertake studies pertaining to these topics.
- v) The Faculty of Adhunik Jnan Vijnan is an important part of Vidyapeetha. At present, this faculty consists of members from both traditional (Sanskrit) and modern areas of knowledge. This faculty trains students in B.Ed. Course and M.Ed. Course.

The students of B.Ed. course are trained for teaching at school level. They are specially prepared for teaching of Sanskrit with one modern subject at school level.

Through M.Ed. Course, the students are prepared to teach teachers (teacher-education) at different levels and they submit their dissertations on different aspects of education such as problems in educational administration, current system of education, contemporary issues on education, special education, philosophical and sociological aspects on education, psychological aspects of education, seminars, innovative teaching and analysis of Indian literature from the perspective of teaching and learning.

- w) A separate Department of Research and Publication is working in Vidyapeetha for Research and Publication of traditional Sanskrit texts. This department has been established as an independent department under the direct control of the Vice-Chancellor of this Vidyapeetha. To manage the research and publication activities this department also has a senior Professor who reports and gives proper advice about the research and publication plans regularly to the VC. Supported by Research Assistants and capable Proof Readers this Research and Publication department is functioning very smoothly in proper direction.

The Research and Publication department facilitates various departments of this Vidyapeetha to plan and monitor their departmental research projects time to time. To achieve academic excellence in research, the department has introduced pre-entrance test for Ph.D programme as per UGC guide lines. As per UGC directions (Minimum Standards & Procedure for Award of M.Phil/ Ph.D) in this Vidyapeetha pre Ph.D registration seminars are also arranged in the presence of the Faculty members of the concerned subject before the submission of the thesis. Regular classes & workshops on research methodology are being organized where world class eminent scholars delivering lecturers to guide the research students.

The Vidyapeetha has been continuously working for propagation of Sanskrit language along with preservation of Sanskrit literature. Since its inception, the research and publication department of the Vidyapeetha has been regularly contributing to achieve this objective. In this series, many important publications have been brought out. The Government of India recognized the Vidyapeetha as a research institute in the year 1965-66. Since then, the Vidyapeetha has been actively involved in the publication work and has so far published around 70 research works and manuscripts in the field of Sanskrit literature.

The Research and Publication Department of the Vidyapeetha is also engaged in selling not only its own publications but also the publications of the Ministry brought out under its reprint programme. This year the Vidyapeetha has received sale proceeds of Rs. 133,328/- and Rs. 2, 33,780/- by selling the publications of the Ministry and the Vidyapeetha respectively.

The reports have been sent to each Department with proper suggestions from the Vice-Chancellor to discuss in the different Departments' Council for the improvements regarding future performance.

24. Unit Cost of Education

Rs. 1, 88,308/- per annum

25. Computerization of Administration, the Process of Admissions and Examination Results and Issue of Certificates

The administrative procedures have been largely computerised. The admission notification regarding different courses and other necessary information related to the University activities are available on the University website. Students can download application forms from the University website. The examination section is partially computerised and the process of computerization of remaining fields is going very fast. Examination results are announced on the University website accordingly. Computerised marks cards are being given to the students. To computerise the examination and result process the University plans to purchase some important related software and new compatible hardware to improve the examination work of this Vidyapeetha. The University had provided computers with printers to all the Departments for fulfilment of their administrative purposes.

26. Increase in the Infrastructure Facilities:

(a) LAND AND BUILDING

The Vidyapeetha campus is situated at B-4, Qutab Institutional Area, Shaheed Jeet Singh Marg in South Delhi with an area of 10.65 acres. The existing buildings date back to the time when the Vidyapeetha was a Kendriya Sanskrit Vidyapeetha under Rashtriya Sanskrit Sansthan, an Autonomous organization under the Ministry of Human Resource Development. Before being declared as a Deemed to be University, main institutional building (Non-residential) covers an area of 2951 housing, administrative, academic, research and library facilities. The residential buildings cover 6036.55sqm. in which a 4 storied boys' hostel consisting an area of 2068.43sqm., 07 Type V flats in an area of 1167 squares metres, 08 Type IV flats in an area of 996.28 squares metres, 08 Type III flats in an area of 541.28 squares metres, Type II flats in an area of 452.00 square metres, 15 Type 1 flats in an area of 811.56 squares metres are situated. Now due to increased students intake and enhanced activities the present buildings have become insufficient. In order to cope with the sufficient accommodation, the Vice-Chancellor Bungalow and a Guest house measuring 249.44 squares meters and 324.99 squares metres respectively costing Rs. 109.21 lacs were constructed. New residence and the Guest House has been serving well since December 2003. A five storied new Academic Block 'Saraswat Sadhana Sadanam' covering carpet area

of 4006.86 square metres was also constructed. This building houses training department, a Computer Centre, Conference Hall, Committee Rooms, Dean's Offices, V.C. Secretariat, C.V.O. office, etc. The construction of new administration building has been completed in two phases covering carpet area of 6283 square metres by the University Works Department of the University during 2011-12 and furnishing of this bounding yet to be completed and ready to possession after obtaining the No Objection Certificate from the MCD.

(b) RESIDENTIAL QUARTERS

The Vidyapeetha has 46 well maintained staff quarters (7 -Type-V, 8-Type-IV, 8-Type-III, 8 -Type -II, and 15 Type-I) for teaching and non- teaching staff of the Vidyapeetha.

(c) GUEST HOUSE

A two-storied Guest House building in the Vidyapeetha Campus covering 350 sq.ft. has been constructed by the C.P.W.D. The newly constructed Guest House has been functioning since November, 2003. It comprises 11 double-bed rooms, one dining hall and one office room. The Guest House is available on requisition to accommodate national and international delegates/members, visiting dignitaries preferably in connection with academic and research activities.

(d) HOSTEL

The Vidyapeetha has one hostel building for boys having accommodation for 90 students in 48 rooms. There are 16 single seated rooms for research scholars and senior students; 16 double seated rooms and 16 triple seated rooms for other (Acharya, Shastri and B.Ed.) students .The hostel is equipped with modern facilities like Local Area Network, Computer, TV and Telephone etc. This Hostel comprises a common room, dining hall, refreshment hall, kitchen and pantry also. At present 90 students are staying in the Hostel, out of which 06 students belongs to SC, 03 students belongs to ST, 03 students are related to OBC community and 02 are physically challenged.

Prof. Harihar Trivedi is working as Warden of this hostel very efficiently. The management, maintenance and other activities of this hostel is being monitored by the Hostel Warden with the help of the Hostel Committee comprising different class related students. Various programmes/functions have been organized by the hostel residents in this academic session.

(e) LIBRARY

The Vidyapeetha library is housed in a commodious building having a total floor area of 586 sqm. on the ground and first floor with 290 sqm. of stocking accommodation. It has 68875 books on various subjects of learning. In view of the current requirements, 32 journals are subscribed to by the library. The library also provides Book Bank facility to the needy students. Seats have been earmarked to facilitate undisturbed and effective use of the library. There are 40 seats for general students, 25 seats for research scholars and 15 seats for the teachers.

For the management and maintenance of the library, there is an Assistant Librarian, two Professional Assistants, two Semi-Professional-Assistants, two Library Assistants and four Library Attendants.

(f) MANUSCRIPT LIBRARY

In addition to the Library with all facilities, the Vidyapeetha is proud of its Manuscript Library which is an asset with all its rare valuable manuscripts. There are 1697 manuscripts of different subjects comprising 594 Bangla, 112 Orria manuscripts. The rest of the manuscripts are in Devnagri script. These manuscripts are related to different branches of Sanskrit literature-Vedas, Upnishadas, Puranas, Astrology, Vyakaran, Vedanta, Sankhya Yoga, Nyaya, Karma -Kanda, Dharma Shastra, Sahitya, Music and Ayurveda. They generally belong to the period of Vikram Samvat 1800 to 2000 and some are even more ancient.

The collection contains a rare manuscript of the Mahabharata having hand-drawn pictures at beginning of each chapter explaining the important events described in the chapter. Some manuscripts written in Orria are on Palm leaves. The Vidyapeetha is engaged in preserving these rare pieces under the Ministry's manuscript mission.

(g) OBSERVATORY (VEDHASHALA)

In order to impart practical knowledge of Jyotish to the students of the Department of Jyotish, there is an Observatory on the Vidyapeetha Campus. It was built by the ex-president of Jantar-Mantar, Jaipur, the President Award winner, M.M. Pandit Kalyan Dutt Sharma. While the Karkavalaya, Tula

Valaya and Makara Valaya help in knowing about the different rashis. The Vitti Yantra and Chakra Yantra facilitate the knowledge of Kranti, through the Nadi Valaya the knowledge of local time is possible. The Samrat Yantra facilitates the knowledge of Yabhyottaralangen kal, local time and standard time. The Bharatiya Tara Mandal helps in finding Natansha Akshansha and Krantyansh, etc.

(h) YAJNASHALA

There is a yajnashala in the Vidyapeetha where diploma and training courses for the priests of the capital city are organized. This year, many yajnaushthans were organized in this yajnashala. A new double storied yajnashala building (Karmakanda laboratory) covering area 41.040 sq. mtrs. has been constructed in the Vidyapeetha.

(i) SEWAGE TREATMENT PLAN 120 KLD

The Vidyapeetha installed STP of 120 Kilo Litres per day capacity of the Thermax make with filter press through M/s Ecotherm Engineers Pvt. Ltd. in 2006-07 to reuse the waste water generated through kitchen, baths, latrines, etc. of the complex for horticulture purposes. The Vidyapeetha uses 100% of the waste water by treating it through the STP and effectively using it for maintenance & development of Vidyapeetha parks, gardens throughout the year except a few days in rainy season. In that time, the treated waste water poured into the nearest rain water harvesting pit which helps in charging in ground water table.

Thus, the University is utilizing treated waste water throughout the year. The STP works 'Round-O-Clock' throughout the year and is being maintained by the agency which supplied and installed it.

(j) RAIN WATER HARVESTING PITS ON THE VIDYAPEETHA CAMPUS

The Vidyapeetha has made proper arrangement of the rain water harvesting in the guidance of Sr. Scientists of Central Ground Water Board, Ministry of Water Resources, GOI in 2004-05. Total 13 rain harvesting bores were dug at 5 different locations as suggested by the C.G.W.B. to cover the entire complex properly. Thus 100% rain water goes under-ground and recharge the water table.

(k) SECURITY OF VIDYAPEETHA CAMPUS

Security arrangements of the Vidyapeetha premises are maintained properly under the direction and guidance of Proctor assisted by a Proctorial Board. In order to implement the security arrangements, tenders are invited from various security agencies registered and based in Delhi, and on the basis of these tenders, the work is entrusted to one of them according to the rules on annual basis. This duration can be extended up to one more year on the basis of their satisfactory performance.

During this session, the security arrangement has been changed to Sarvesh Security Services. Security Guards of this agency remained on duty in three shifts of 8 hours each, every day and their work was supervised by an ex-serviceman. The security guards deployed at two main gates, V.C. residence, hostel and in the premises of Vidyapeetha, did patrolling in vigilant and alert manner and catered to the requirements of other security and safety related matters attentively. On many special occasions (Examination/Convocation), the services of the Security Guards were also utilized as per requirements. The Proctor made surprise inspections to assess and ensure the efficiency of the security system.

27. Technology Upgradation

As mentioned in item no. 26, almost all the Departments have been facilitated to access Internet services in the premises of the Vidyapeetha.
