## MESSAGE

It brings me immense pleasure and satisfaction to learn that Shri Lal Bahadur Shastri National Sanskrit University (Central University) is publishing its Annual Report for the academic year 2021-22, which emphasizes the institution's academic and administrative accomplishments. As envisioned in the Central Sanskrit University Act 2020, the University is working hard to achieve its goals and objectives for preservation of shastraic tradition.

To begin, I would like to inform that the Government of India has converted the erstwhile Vidyapeetha into a Central University vide notification dated 30<sup>th</sup> April, 2020 by Ministry of Education and since then it is functioning as a Central Sanskrit University.

I am incredibly impressed to note that the University has preserved its academic excellence and provided significant higher education in the domain of Sanskrit, under the leadership of the then Vice Chancellor and dedicated faculty members who contributed to enhance knowledge and disseminate it through extensive academic and research programmes and laid the foundation for establishment as Central University.

I am pleased to learn that the Executive Council and Academic Council of the University has approved to implement National Education Policy 2020 (NEP 2020) initially for its Bachelor's degree courses, which outlines the vision for India's future educational system. I am confident that the University will be able to provide professional and skilled Shastraic Tradition experts who will contribute to the preservation of our tradition as well as the well-being of society. Beside the unprecedented situation of Covid-19 pandemic during the academic year 2021, the University made tremendous efforts to maintain its examination and academic standards in accordance with the UGC guidelines. I hope that the University will be successful in the future.

The University is also working hard in the area of standardization and quality improvement of academic, research and administrative standards of the University. This includes participation in NIRF Process, Social, Academic and Administrative Audit, inclusion of best practices in day to day functioning etc. I am sure, this will certainly boost the quality and excellence of University and achieves a better quality grading.

I also believe that under the leadership of Prof. Murlimanohar Pathak who has been appointed as Vice-Chancellor by Hon'ble Visitor (President of India), the University will continue to work harder to attain its goals and objectives and make this university a quality driven and excellence oriented University in the field of Academics and Research. I would also want to convey my gratitude to various statutory and regulatory authorities such as, the Executive Council, the Academic Council, the Ministry of Education, and the University Grants Commission for their valuable guidance and support.

I would also like to express my gratitude to the editorial team for their efforts in compiling this Annual Report.

## Introduction

The Ministry of Education, Government of India, established Shri Lal Bahadur Shastri National Sanskrit University (Central University), formerly Shri Lal Bahadur Shastri Rashtriya Sanskrit Vidyapeetha, New Delhi, to preserve Shastric tradition of knowledge, higher learning, interpretation of Shastras, intensive training of teachers in modern as well as Shastric lore, and to establish relevance of Shastras in the modern context. Shri Lal Bahadur Shastri, the founding President of the Akhil Bharatiya Sanskrit Vidyapeetha Society, was the inspiration for this institution. Smt. Indira Gandhi, India's then-Prime Minister, declared on October 2, 1966 that the Vidyapeetha would be called as Shri Lal Bahadur Shastri Rashtriya Sanskrit Vidyapeetha. Following that, a separate society was founded and registered as a sponsoring society for this institution by the Ministry of Human Resource Development, Government of India. The Hon'ble Minister of Human Resource Development, Govt. of India, is the President of the Governing Body of Shri Lal Bahadur Shastri Rashtriya Sanskrit Vidyapeetha Society. The Vidyapeetha was designated as an Institution Deemed to be University in 1987, and it became fully operational on November 1, 1991, with full funding from the UGC. The then Vidyapeetha was governed by its Memorandum of Association, UGC Regulations, Rules, and Bye-Laws.

In order to realise the vision and mission of late Shri Lal Bahadur Shastri ji former Hon'ble Prime Minister of India under whose Chairmanship Shri Lal Bahadur Shastri Rashtriya Sanskrit Vidyapeetha was founded and had a dream ... "to make this institution as a Central institution where not only the scholars from India but also from around the world will come and live teaching studying Sanskrit, noting the research that is being done and themselves work in Sanskrit living here... (So that)... the Vidyapeetha becomes an ideal institution whose shape in the capital of India would be what naturally it should be of such an institute"... and to meet the long pending demands of the Sanskrit aspirants across the country and need of providing a platform to the National and International Sanskrit scholars, it was felt that there should be a Central Sanskrit University as established by the Govt. of India in other languages in the country.

All the members of the Executive Council congratulated the Vice-Chancellor, Prof. Ramesh Kumar Pandey, for this great achievement and appreciated the tireless efforts made by him to fulfil the dreams of the Late Shri Lal Bahadur Shastri Ji and the desires of Sanskrit aspirants at National and International level. The members of the authorities extended their thanks on behalf of the entire community of the Vidyapeetha giving their support for this noble cause to the Hon'ble Shri Ram Nath Kovind Ji, His Excellency President of India, Shri Narendra Modi Ji, Hon'ble Prime Minister of India and Dr. Ramesh Pokhriyal Nishank, Hon'ble Minister of Human Resource Development, and welcomed the decision of the Government of India for the establishment of Shri Lal Bahadur Shastri Rashtriya Sanskrit Vidyapeetha (Deemed to be University) as Shri Lal Bahadur Shastri National Sanskrit University (Central University) with effect from 30.04.2020. As Consequences, the proposal to convert Vidyapeetha into a Central University was reviewed and approved by the Government of India after three decades, and the Ministry of Education published

a notification in this regard. As published in the official Gazette on April 17th, 2020, the provisions of the Central Sanskrit Universities Act, 2020, will take effect on April 30th, 2020. It has the privilege of an institution's heritage dating back to 1962.

School of Veda-Vedanga, School of Darshan, School of Sahitya and Sanskriti, School of Education, and School of Adhunik Vidya are indeed the five schools that constitute the academic vision of the University. The first three schools facilitate the study of shastraic knowledge and teaching facilities in order to accomplish degrees of three-year Shastri, Shastri (Hons), and two-year Acharya in various traditional Shastra disciplines. The School of Education offers teaching facilities for the completion of the Shiksha Shastri (B.Ed.) two-year teacher-training programme and the Shikshacharya two-year advanced Shiksha Shastra course (M.Ed.). Scholars interested in pursuing research in various branches of Shastric learning can enroll to any of the above-mentioned faculties depending on their specialisation through an all-India entrance examination.

In the University, there is an independent Publication unit that collects, preserves, and publishes historical publications authored by prominent scholars. It also brings out a research journal **Shodha-Prabha** which carries its own distinction.

In Vastushastra, Jyotish, Karamkand, Darshan, Sanskrit Patrakarita, Yoga, and Computer Applications, the University has successfully conducted vocational and professional certificate and diploma programmes. In furthermore, the University offers a wide range of certificate courses from time to time.

On the 3rd of December, 1993, in Rashtrapati Bhawan, the University held a special Convocation in which the Honoris Causa degree of the Vidyapeetha was conferred on Dr. Shankar Dayal Sharma, the then Hon'ble President of India. The University's first convocation occurred on February 15, 1994, on the University's campus. The Convocation address was delivered by the Hon'ble President of India, Dr. Shankar Dayal Sharma.

## Schools of the University

## I. School of Veda-Vedanga & its Departments

### a) About the School

The **Shukla Yajurveda** is taught in the School of Ved-Vedang, which has been established in 1971. The Vedas have traditionally been recognized as a treasure trove of profound knowledge. The Ved-Vedang school of the University comprises six departments. Students are made to learn Vedas, Priesthood, Grammar, Astrology, Vastu Shastra, and Dharmashastra in these departments. The Dharmashastra department plays a crucial role in the preservation of the Smriti tradition. It is significant in today's environment, with a lot of potential for comprehending the ancient Indian legal system, specifically in the realm of women's property rights and socially marginalised classes. Components of the judgements of the Privy-council, the Supreme Court, and other subordinate courts are also included as special papers in order to raise awareness among learners. The department's under the school specific interests include Human Rights, Culture, Legal Studies, and the Environment, all of which are areas of contemporary relevance and interest. Paurohitya Science is a precise definition of Ved, Dharma Shastra, and Jyotish, with scholars working on multi disciplinary projects. The many Pooja rituals practised around the world are also being studied.

### b) Aims

The Vedas and Vedangas contain the essence of the world, and they are well-known for their scientific merit. The Veda and Vedang School at the institution aims to acquaint the students with the heritage of Indian culture, which should be disseminated around the world. ## II. School of Darshanshastra & its Departments

### a) About the School

The Darshan (Philosophy) School was established to promote higher knowledge in the field of traditional Indian philosophy as envisaged by ancient scholars and reflected in the Shastras. SLBSNS University offers a more focused and in-depth study of popular systems of thought in specialised disciplines of Indian philosophy, whereas traditional universities facilitate and offer teaching-learning facilities in general. Apart from that, Jain Darshan department shares many similarities with Hindu philosophy while still having its own unique characteristics. Atomic theory, Karmic theory, Anekantvad theory, Syadvad theory, Nayavad theory, Ahinsa theory, spirituality, mediation methods, and nonviolence are all applicable to today's modern world, society, and nation. Furthermore, department of Mimamsa has gained national attention as a result of specific judgements rendered under Mimamsa's norms of interpretation. The students are educated on how to use ancient texts to address contemporary issues and problems. Sankhya and Yoga are complementary in that Sankhya explores the concepts of Prakriti (matter) and Purusha, but Yoga emphasizes more on depth psychology and believes in the elevation of the human soul through the practise of multiple methodologies. The ancient tradition of Sankhya, which enunciates the notion of satva-rajaa and Tamas, is linked to Newton's laws of motion and inspires us to comprehend quantum physics. Under the supervision of renowned faculty members, the School organised Shastrartha on key philosophical issues for the students.

### b) Aims

The goal of the University's School of Darshan (Philosophy) is to educate students about Indian philosophical traditions and to share the information inherent within them with the rest of the world.
