This Centre as TLC has successfully organized **64 programmes**, conducted **03 Annual Refresher Programme In Teaching (ARPIT)** courses through SWAYAM in Sanskrit discipline and has published **02 handbooks** for teaching Sanskrit. Our MMTTC since its inception in September 2023 has successfully organized **67 programmes** viz. **12** One Week Faculty Development Programme, **04** One Month Mandatory Faculty Induction Programme, **10** Two Weeks Refresher Cours and **41** Eight Days NEP Orientation & Sensitization programmes till now.

Backdrop

We all know that landscape of Higher Education is undergoing a rapid transformation driven by the need to prepare learners for dynamic, technology enabled and competency based education system. The shift from teacher centric to learner centric approaches to teaching and assessment are gradually giving way to pedagogical practices that focus on what learners are able to know, perform, demonstrate and apply in real world contexts. In alignment with the vision of NEP 2020 and emerging global educational trends, Competency Based Education (CBE) has evolved as a powerful framework for fostering learner centered, outcome oriented and skill focused education. The adoption of this approach requires a comprehensive understanding of competency frameworks, outcome mapping, innovative pedagogies, authentic assessment methods and data driven evaluation practices. It calls for a reorientation of curriculum design, pedagogical practices, assessment strategies and faculty roles in order to create meaningful learning experiences. Thus, there is a need to build faculty capacity to design & deliver learning experiences that promote competency development and measure learner achievement. In this backdrop, one week online national Faculty Development Programme (FDP) is being organized with an intent to enhance skills related to Competency based Teaching & Assessment.
