About

The Teaching Learning Centre (TLC) of Shri Lal Bahadur Shastri National Sanskrit University (Central University), New Delhi was established in the component of Centres of Excellence for Curriculum and Pedagogy under **Pandit Madan Mohan Malaviya National Mission on Teachers & Teaching (PMMNMTT) scheme of Ministry of Education, Government of India**. The vision of the centre is to develop skills and competencies of teachers and teacher educators associated with language education especially Sanskrit for designing, developing, implementing and evaluating teaching-learning systems. The centre has been identified in the list of 30 new centres (IInd phase) for conducting **one month mandatory Faculty Induction Programme (FIP) for newly inducted higher education faculty** and **also notified as National Resource Centre (NRC) for developing & conducting online Annual Refresher Programme In Teaching (ARPIT-2018, 2019 & 2020 courses) through SWAYAM in the discipline Sanskrit by Department of Higher Education of Ministry of Education, GOI**. In addition to this, the centre has **published two handbooks for teaching Sanskrit** one at upper primary level and other at secondary level. The centre has successfully **organized 59 programmes** and **03 Faculty Induction Programmes (FIP)** till now.

Programme Backdrop

As we all know that emergence of technology has not only influenced every aspect of human life but also the entire educational world. Its comprehensive use & application has made the planning, development, implementation, execution, & assessment of various educational processes simple, quick, effective & economical in terms of efforts & time. Moreover, the integration of technology also promotes user centric, & interdisciplinary teaching, assessment & research. That is why all committees & policies on education have recommended integration of technology in all educational processes. Thus, technology usage skills for knowledge acquisition, transfer & assessment plays a significant role in building a technology enhanced teaching & learning environment. In addition to this these skills & competencies associated with use and integration of technology in teaching & research become inevitable for the teachers & students of all disciplines for surviving & to be successful. These competencies primarily comprise of intelligent use & application of various pedagogical & research tools & softwares. In this backdrop, a two-week national Faculty Development Programme (FDP) has been organized with an intent to enhance techno-pedagogical & research skills & competencies for ensuring quality teaching & research work.

Programme Objectives

The objectives of this programme are:

- to acquaint with various techno-pedagogical research tools & softwares.
- to give insight in the process of using various techno-pedagogical & research tools & softwares.
- to enhance skills & competencies associated with using various techno-pedagogical & research tools in teaching & research work.

Target Group

- Higher Education faculty members of All Disciplines.
- Teacher Educators from both traditional and modern universities.
