05 Days Online National Workshop

Cyber Security in Education

From 17th to 21st August, 2020

About TLC:

The Teaching Learning Centre (TLC) of Shri Lal Bahadur Shastri National Sanskrit University (Central University), New Delhi was established in the component of Centres of Excellence for Curriculum and Pedagogy under **Pandit Madan Mohan Malaviya National Mission on Teachers & Teaching (PMMMNTT) scheme of MHRD, Govt. of India**. This scheme was launched with an intent to improve quality in educational development at all stages of education. The vision of the established TLC is to prepare Teachers, Teacher Educators and Researchers for empowering them to address the needs for designing, implementing and evaluating teaching-learning systems in the field of language education especially Sanskrit. **The centre has been identified in the list of 30 new centres (IInd phase) for conducting one month mandatory Faculty Induction Programme (FIP) and also notified as National Resource Centre (NRC) for ARPIT-2018 & 2019 courses in the discipline Sanskrit by MHRD.**

Backdrop:

Education system in India and around the world is experiencing the transition phase due to Covid-19 pandemic. This has necessitated the education system to move swiftly from offline to online mode. Consequently, a critical need emerges for managing and handling online educational processes like teaching, learning and assessment in a safer manner which includes creating, sharing, saving, downloading and uploading of learning materials. In addition to this, how to conduct assessment confidentially, how much access should be given during downloading & installing various softwares and apps, awareness about safety measures for conducting educational activities etc. are some of the challenges in online education which can be best addressed through cyber security. It is the state or process of protecting and recovering networks, devices and programs from any type of cyber-attack. Thus, staying informed and cautious online are the two best ways to help & protect ourself, our networks & devices, and above all our organisations. In this backdrop, 5 days Online National Workshop has been organised with an intent not only to aware and sensitize but also to develop skills and competencies for managing online educational processes by taking proper safety measures.

Objectives:

The objectives of this workshop are:

- to give insight to understand the concept of cyber security in education.
- to familiarise with various procedures for taking up cyber security measures.
- to familiarise with the concept of licensing and copyright w.r.t. using online educational resources.
- to acquaint with the safety measure in relation to transaction of online teaching, learning and assessment.
- to develop competencies related to managing cyber security in various educational processes.

Target Group:

- Higher Education language teachers especially that of English, Hindi & Sanskrit.
