### 4.1.3 THE INSTITUTION HAS ADEQUATE FACILITIES.

1. **Health Centre:** The university health centre offers treatment for students, staff, and teachers, with weekly visits from a gynaecologist and dentist, and daily specialist services. Ayurveda and homeopathy treatments are also available. Emergency care is provided, with partnerships for advanced treatment at nearby hospitals.
2. **Bank and ATM Services:** Indian Bank near the university has an agreement with it, while HDFC, ICICI, SBI, and Canara Bank offer ATM services.
3. **Post Office:** There is a post office centre located near the university at NCERT and JNU. The university-related work is smoothly conducted in a friendly environment. There is also a main post office in Hauz Khas, close to the university, which prioritizes university-related tasks.
4. **Auditorium:** When required, the auditorium located on the ground floor of the Swarna Jayanti Bhavan is used. Additionally, a stage is set up on the playground for specific events.
5. **Women's Centre:** A women's centre is established in the basement of the Swarna Jayanti Bhavan. This centre primarily helps women on campus resolve any issues they might face in a harmonious environment. It also brings to life the sentiment of "Where women are honoured, there the gods are pleased."
6. **Consultation Centre:** A modern technology-enabled consultation centre is located on the second floor of the Swarna Jayanti Bhavan. This centre offers advice on academic, administrative, and student-related matters in a friendly environment, assisting with the resolution of any issues that arise during the student contribution process.
7. **Cultural Program Centre:** The university family uses the basement of the Swarna Jayanti Bhavan and the ground floor of the Saraswat Sadhana Bhavan for organizing cultural programs.

#### Additional Facilities:

1. **Canteen:** A dining facility is available on the campus, offering various types of North and South Indian meals at reasonable prices.
2. **Facilities for the Differently-abled:** The university continuously improves facilities for the differently-abled, including wheelchairs and stretchers.
3. **Guest House:** The campus has a two-story guest house with eight modern rooms and two special rooms equipped with modern facilities.

4. **Solar Energy Plant:** A solar energy plant is installed on campus buildings, aiding in electricity and environmental conservation.
5. **Rainwater Harvesting System:** There are seven rainwater harvesting sites on campus, which also aid in irrigation.
6. **Recreational Room:** A recreational room for female staff members is available for relaxation and informal discussions.
7. **Sewage Treatment Plant:** A sewage treatment plant with a capacity of 120 KL per day is installed on the campus, and treated water is used for cleaning and gardening.
8. **Wi-Fi Facility:** The entire campus is Wi-Fi enabled, accessible to students, teachers, and staff.
9. **Child Care Centre:** A child care centre is available on the university's residential premises.
10. **Parking:** A parking lot is located near the main entrance of the university, used by everyone.
11. **Battery Charging Station:** Installed at student residences like T-3, T-4, and T-5.
12. **PNG Facility:** Available in the university's residential dining hall, guest house dining area, and canteen.
13. **Substation Facility:** A substation with two diesel engines (11-Kb) is located on campus.
14. **Gym:** A modern gym with advanced equipment is available for use by everyone on campus.
