Public Financial Management System- PFMS

PFMS is a Centralized Transaction System & Platform, providing end to end financial management services to all stakeholders. Every Department/Ministry of Government of India, State Government and its implementing agencies transfers funds electronically to beneficiary (individual or institution) through PFMS.

PFMS is a platform where Shri Lal Bahadur National Sanskrit University gets funds from University Grants Commission through Reserve Bank of India. Using the platform of PFMS, the university is making various payments such as Scholarship, Non-NET Fellowship, Salary, LTC, Tuition Fees, Medical, Retirement Benefits & Vendor Payments etc. through Digital Signature Certificate to its students, employees and vendors.

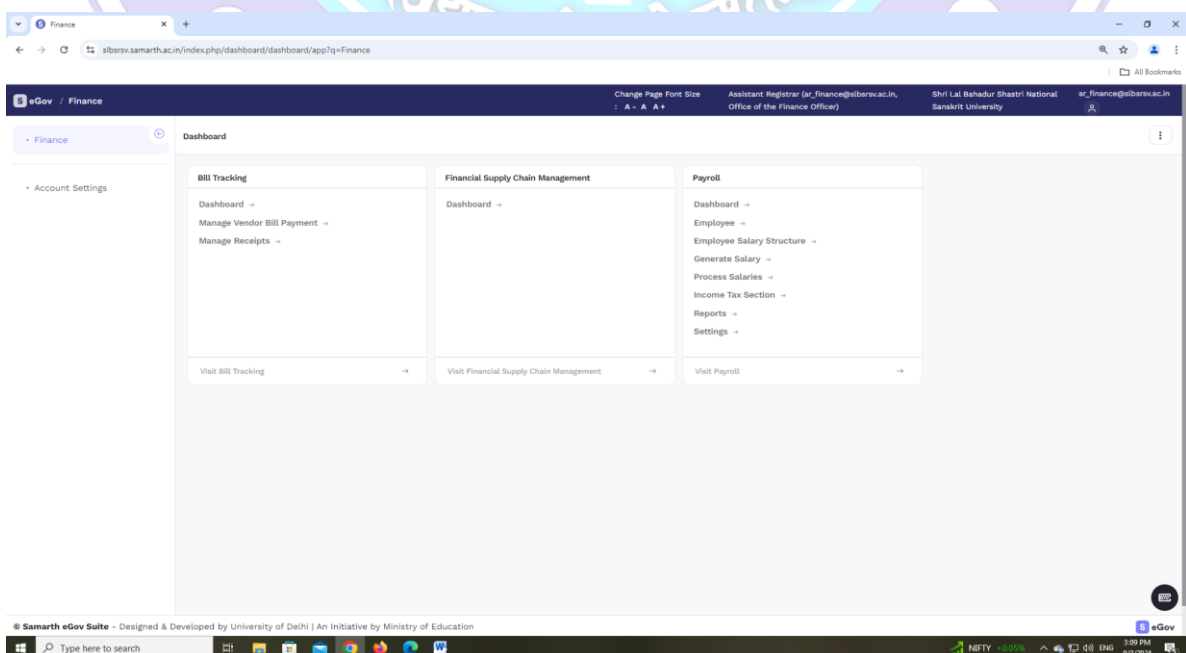

E-Samarth portal

Samarth is an initiative by the Ministry of Education started in 2019, under the National Mission on Education through Information and Communication Technology. The Samarth e-governance platform is used by universities and higher education institutions (HEIs) to help them streamline their operations and deliver services to students, staff, and other stakeholders.

- It automates day-to-day operations, allowing HEIs to save time and resources.
- It offers over 40 modules in nine packages, including modules for accounts and finance, fee management, payroll, and more.
- It helps HEIs streamline their records, including admission details, examinations, employee and leave data, and payroll.
- Security: Samarth uses role-based access control (RBAC) and multilevel authentication for business-critical functions.
- Audit trail: Samarth maintains an audit trail for each transaction.
- Scalability: Samarth's modular architecture is highly scalable.
- User-friendly: Samarth's modules are designed to be user-friendly, and the platform is constantly updated with new features.
- Samarth was developed under the National Mission of Education in Information and Communication Technology Scheme (NMEICT) of the Ministry of Human Resource Development.
