Thereafter, Director, IQAC introduced all members of the Committee and briefed about agenda of the meeting. Director, IQAC informed about the quality improvement measures taken by IQAC and its importance on Academic, Research and Administrative activities of the University. He also briefed about the future planning and plan of action of the University for participation in NAAC Assessment and Accreditation process.

Sh. Rajesh Kumar, Assistant Registrar (Development) presented the agenda items before the Committee Members

Item No. 1:- To consider and confirm the minutes of the meeting of Internal Quality Assurance Cell (IQAC) held on 24/09/2021.

The Committee noted that there was no discrepancies pointed out by any of the members, therefore, the minutes of the meeting held on 24/09/2021 were confirmed.

Item No. 2:- To consider and approve the Action Taken Report on the decision taken in the meeting of IQAC held on 24/09/2021.

The Committee after the detailed discussion noted the action taken by the University on the report of meeting held on 24/09/2021 and approved the same.

Item No. 3:- To Consider the Implementation of E-Governance in the area of examination activities in Shri Lal Bahadur Shastri National Sanskrit University.

Sh. N. P. Singh, OSD (Examination) and Member briefed the Committee about the on-going progress of examination department and its related activities in shifting towards e-modules on E-Samarth Portal of Ministry of Education. The Committee noted the benefits of e-governance and resolved to implement the same in the area of examination activities in the University.

Item No. 4:- To consider the proposal for conduct of University courses through Open and Distance Learning mode and online mode

The Committee in view of the broad scope and mandate of the University in facilitating accessible and affordable quality education to students and learners in the field of Sanskrit unanimously accepted the proposal for conduct of courses through Open and Distance Learning and Online mode. The Committee also agreed for constituting a Committee by Hon'ble Vice-Chancellor which will explore the feasibility of starting courses through ODL and Online mode through this year.

Item No. 5:- To implement some best practices in the University for an Inductive Approach to quality management in higher education institutions with a focus on practice and continuous improvement

The Committee Members discussed the adoption of best practice in the University for steering the institutional development in detail and suggested a number of areas where the University may adopt such technique.

- Prof Ramesh Kumar Pandey, Member suggested that a best practice may be adopted keeping in view of the Sanskrit and Traditional structure of University. He further reiterated that the best practice implemented by the University must be unique and will be an exemplar for other Sanskrit Universities. Prof Ramesh Kumar Pandey advised for creation of e-publication portal having audio and video lectures for divyang students like hearing impaired and blind to benefitting them for quality education and opportunities.
- Prof. B. P. Bhardwaj, Member advised that University may explore the possibility of inducting best practice on pedagogy practice in the University.
- Prof. Amita Pandey Bhardwaj, Member suggested that in order to implement best practice culture University must adopt the Learning Management System (LMS). She also advised for establishment of E-Content Development Cell which contains various e-lecture, study material prepared by faculty of various academic departments of the University.

Soon-after the thorough discussion and above suggestions by various Committee Members, Hon'ble Vice-Chancellor directed that such suggestions may be incorporated and a list of best practice be prepared accordingly. The Committee then resolved that the implementation of best practices in the University may be started from Examination Branch by adopting automation in examination system. The Committee also suggested that in addition to the above practices, all the Departments/ Sections of the University may also adopt various best practices in their respective departments/ sections.

Item No. 6:- To establish a central data repository system/ centralized database management system in Shri Lal Bahadur Shastri National Sanskrit University.

Sh. N. P. Singh, OSD (Examination) and Member informed the Committee that the University is already a member of National Academic Depository (NAD) and Shodhganga (digital repository of theses and dissertations) is already installed in Central Library of the University for keeping a check on plagiarism. He also reiterated that a new database may be framed and extended to the Faculty and Researchers of the University. Prof. Bhagirathi Nanda, Dean (Academics) and Member advised that an individual repository system may be created in the University which may store the data related to M Phil Researchers Research theses and Final dissertations of Shiksha Shastri etc. The Committee suggested that the University may provide access to such repository system to University's students as well as others for academic and research purpose only. The Committee further resolved that the process for establishing a central data repository system/ centralized database management system in the University may be initiated first by establishment of 'Research Database' in the Research Department of the University.

Item No. 7:- To consider the proposal for incentives to teachers who receive state, national, international recognition/ awards/funding/ research grant in context to develop a mechanism for research environment and ensure excellence in research, academic areas and promoting research.

The Committee took the view that University should incentivize such faculty who received recognition and awards from Central Government/ State Government/International Institutions for developing a mechanism for research and excellence in academics. Prof. B. P. Bhardwaj, Head, Division of Educational Research, NCERT and Member informed the Committee about similar awards for innovative practices and experiments in education being conferred by NCERT at national level. He also suggested that faculties of various departments may be encouraged to explore the scheme and apply for the same if they are having similar aspect of their work related to teaching-learning. The Committee Members resolved that a Committee may be constituted by Hon'ble Vice-Chancellor for implementation of incentive scheme for the faculty of the University.

Shri Lal Bahadur Shastri National Sanskrit
University

Item No. 8:- To consider the proposal for establishment of 'Research Chair' in Shri Lal Bahadur Shastri National Sanskrit University in the name of illustrious person or person of eminence in the area of Sanskrit.

8. Prof. Piyushkant Dixit Dean, Academics, SLBSNS University	Member
9. Sh. Rajesh Kumar Assistant Registrar, SLBSNS University	Convener

Sh. Vishal Malik, member Social Audit Committee, could not attend the meeting.

The Chairperson welcomed all the members of the Social Audit present in the meeting. Thereafter, agenda was presented among the members by Sh. Rajesh Kumar and items were taken up for discussion.

[Handwritten signatures and initials]

Item No. 1 **To consider the Mentor/Mentee data as their outcomes/results to execute the same.**

The members observed that the university maintains a mentor/mentee system on campus, which assists students in strengthening their diverse abilities and building interpersonal relationships between teachers and students. Data on mentors and mentees is only available from one school. As a result, committee members recommended that each school follow the same pattern, and that an office order be issued to each school to implement the same.

Item No. 2 **To consider the drop out students data under Student Progression in the University.**

Following a thorough discussion, the committee members concluded that the number of dropout students is increasing with each passing year. As a result, they proposed the following measures to avoid the same:-

1. Mentor/Mentee and drop out students are both linked. Teachers can easily determine the reason for the dropout using this method, which will aid in the resolution of the problem.
2. Fees are waived up to 50% for students who are financially disadvantaged.
3. Introduce the "Earn while You Learn" programme.
4. CSR Activity - Approaching a nearby authority of the temple to support the university as a endowment fund under the CSR.
5. Provide hostel accommodations for students specially girls travelling to Delhi from other states so that they do not miss out on the course.

Item No. 3 **To consider the Remedial Coaching/NET/JRF Scholarship awarded to the Students of the University.**

The committee members were aware that Remedial Coaching had previously been organised at the University. In order to resume the classes of Remedial Coaching, either through UGC funding or internal University receipt, the university has to be submit the proposal to the Competent Authority. The committee also recognises the beneficiaries of the scheme, which has been extended until 2020. They strongly advised that the scheme's Entry into Services be resumed for the benefit of students in their final year of the course.

Item No. 4 **To consider the initiative for establish a Shishu Sadan (Creche) in the University.**

The committee members carefully examined the data enclosed and the university's beneficiaries and strongly recommended and approved the proposal for the establishment of Shishu Sadan in the campus. Staff and infrastructure arrangements must be made in order to smoothly run the Shishu Sadan (Creche) in the campus.

Item No. 5 **To report the initiative taken by the University for the Protection of arts and culture as the University has Manuscript Library in the Campus.**

Following a thorough discussion, the committee members recommended the following:

1. Establishing a manuscript library on campus under the Ministry's Manuscript Mission Scheme.
2. Tamil Manuscripts are also kept in the library, along with the necessary work on them.
3. The library houses all of the University's available manuscripts as well as Tamil manuscripts which will be acquired by the identified sources. Curators, Manuscriptlogists, Research Assistants, and other staff deemed appropriate for the library should be appointed. The committee members value and consider the preservation of manuscripts on campus in the absence of associated infrastructure.

Item No. 6 To report the initiatives taken by the University for promoting Gender Sensitization by organizing various programmes through University's Centre of Women Studies. After reviewing the detailed report enclosed with the agenda, the committee members recommended that the University resume the activities under the Centre of Women Studies for promoting Gender Sensitization issues, Extension Activities such as plantation, to promote hygiene in daily routine activities, and so on. The Committee also suggested that the centre plan the year's activities and present a funding proposal to the UGC.

Item No. 7 To report the initiatives taken by the University for training of rural/traditional sports among the students of the University. In light of the accomplishments made by the University, including the awarding of Gold Medals in Freestyle and Greco Roman All India University Wrestling, the awarding of Silver and Bronze Medals in Khelo India University Games, and participation in the Delhi State Archery Championships and 26th Senior Indian Round National Archery Championship, the university should prepare the proposal under *Khelo India Programme*. In addition to suggesting a budget estimate for the proposal, the committee advised the University to create a sports department specifically for traditional/tribal games in the line of vision mission of the University.

Item No. 8 Any other item with the permission of the chair.

The committee suggested the university may focus on the following areas:-

1. Extension activities that address how to make the study of Shashtra beneficial for society.
2. EV charging stations should be installed in the campus parking area.
3. Sanitary vending machines ought to be installed in women's washrooms.

The meeting then ended with a vote of thanks to the Chair.
