Suggestions for improvement in Curriculum Design & Development:

54 responses

- No
- Excellent
- No
- Nothing
- NA

All improvements are according to UGC's norms

Yes

The school of Education is updated and updating the necessary and needed information included in the curriculum.

According changing scenario

Sanskrit Teaching is Compulsory for Shiksha Shastri (B.ED) but there is no EPC for Sanskrit Lesson Plan.

We are doing Great efforts towards and we need to keep it up

Availability of activity rooms for activity curriculum.

Add more practical aspects

Need to be more diverse.

Model school must be in campus for the training of pupil teachers.

Workshops should be organised for E content development and format of lesson plans.

Curriculum should be more effective for current scenario.

Better

Nice

More focus should be on active engagement of students

The curriculum has been updated from time to time.

- 1) Settle on concrete goals 2) Learn about audience 3) Make sure information is up-to-date
4) Prioritize using new technology

संसाधनों का उपयोग विचार-नाम

Curriculum Should be updated

No.

No comments

Curriculum development should be flexible and interdisciplinary

Make advanced technology a constant in courses offered.

Kindly me and psychology teachers of the university an opportunity a design and develop a program on soft skills which will ensure employability of the students.

Everything is perfect

Good

Latest trends in the respective fields should be considered and U.G.C directions be followed

All Questions are Very Good

Not now

Relative research of current scientific knowledge with India's ancient knowledge wealth is expected. It is very relevant to present the practical effect of ancient knowledge in modern life.

The infrastructure of Department is need to develop like smart class room, departmental library, computer lab, departmental seminar hall etc.

No Suggestions

Improvement needed

Model School may be established in University Campus

Improvement in Curriculum Design & Development with NEP-2020

not required

N/A

Curriculum should be based on traditional shastric knowledge competing the need of modern era

PhD in modern subjects

I would like to take the institute further on international level. From which people all over the world could know Sanskrit and about Indian knowledge.

Not required

हर पाठ्यक्रम में जो आधुनिक विषय से सम्बद्ध है कम से कम एक सम्बद्ध संस्कृत एवं अवस्य होना चाहिए।

Classical Sanskrit texts are organic in concept and structure. Their reading in parts and extracts will elude their ultimate objective.

पाठ्यक्रम निर्माण में छात्रों को सुधार बनाने तथा स्वयं के योगदान अवसर तैयार करने योग्य बनाया जाना अधिक उपयुक्त होगा। सभी पाठ्यक्रमों में संस्कृत माध्यम एवं संशोधन दक्षता सम्बन्धित बननी चाहिए।

The HR of the institute should work carefully.

No suggestion

Introduction of e-courses. More practical approach towards skill & value based courses

Feedback through Questionnaire

Suggestions for improvement in Teaching, Learning, Evaluation & Research:

58 responses

Nil

Excellent

NA

All are at good process

Nil

School of Education is encouraging the students for their personal and social development.

We always try for best

Central Evaluation of Answer Sheet and Moderation of Exam Paper is not effective.

We can use updated technology and we are doing well in this field

Please give a opportunity to teach new technology for the teachers.

Encourage Research Attitude among teachers

financial crunch to be minimized.

Examination work must be carried out by some external examiners also.

More value added courses should be introduced

It should be more IT based

Better

Improvement needed

Improve teaching through student-centered approaches and technology integration

Improvement needed

Teaching, learning and evaluation method plays an important role and continuous changes and modification as per requirement enhance the education system. A systematic approach towards planning and execution of educational program is essential for overall development and growth of students, teachers as well as the educational programs.

सुप्रसन्नतापूर्वक आपकी राय का आभार व्यक्त करता हूँ।

Training Program for Teachers Should be held every year.

No

No

No suggestions

Proper arrangements of teaching aids and other facilities needed like system and resources

Teaching learning could be more information technology based

Identifying and Defining General Objectives:

Suggestion (Teaching): Please manage ppt presentation for the class. Suggestion: Learning: More opportunities for students centered learning. Suggestion (Research): University should have physiological laboratory and psychological laboratory for the Yoga department. Last suggestions: Give all the teachers an opportunity to serve better according to their abilities, skills and talents

Good

Good

Appropriate measures may be taken to enhance the quality.

Use External Accessories in Teaching Activities

Not now

Interdisciplinary research, manuscript editing, contemporary interpretation of ancient Indian knowledge tradition.

Need to develop smart class room, research laboratory etc.

No Suggestions

Appreciate newly teachers ideas.

Faculty should be encouraged for Research Projects

Improvement in Teaching, Learning, Evaluation & Research with NEP-2020

not required

N/A

more work should be needed according to modern era

Students and teachers should have a proper interaction to carry out the courses

We want research based "teaching learning " programmes.

Not required

कक्षा में आधुनिक शिक्षण साधन की भी पूर्ण संविदा ।

The university administration is efficiently executing the vision of education policy.

अध्यापकों को भी प्रोत्साहन की आवश्यकता है।

Skill development of students is highly required

No suggestion

Access time to the library should be 24x7. e-resource development viz. audio, video, text, image based by the teacher for their respective discipline. Institutional LMS should be developed. Use of Online formative assessment tools. Unit-wise objective test development by the teachers for formative assessment
