Suggestion given by the Students:

Following observations/suggestions to improve the overall teaching/learning experience of your university.

A. Current trends in academics to be adopted

B. Online learning & credit transfer facility to be encouraged

C. New courses are to be developed

D. New employment oriented courses are needed"

Make course on learning outcomes

Should be given fellowship for education "

1. Lbsvv Elibrary - because all student face to many problems in this covid setutaion. So you can buy every books original pdf and provide this elibrarye

" Always help to student

Students do not take online classes seriously due to which the rest are unable to understand

Classes should be given via Online/Offline (through projector) to make it convenient for students.

"1. Must be included some modern subject like as physics, chemistry and biology specially with regard jyotish and vastusharstra because this subjects are also related with that subjects

2. Must we have some educational technology to interact with students very easy.

3. Finally ,must have practical based education like. Town visit, ancient temple visit and so on.

"1. Increase the no. of books in library.

2. Try to make available the books of several writers.

3. A separate landline for student enquiries, where someone is available to receive calls during office hours. "

"1 Please conduct revision classes.

2 provide study materials

3 Relief should be given to those children who are not able to take classes in the time of this corona epidemic and they should also be helped who are facing financial crisis in paying fees."

"Teachers focus only on teaching, they do not understand that students need some time to read.

2. The time limit of the class is 1 hour it should be reduced to 45 minutes which will be beneficial for the students.

3. Students are not given time for meals in the middle of the class, this time must be given to us and please try to understand this."

Best

1- All types of teaching materials used.2- Teachers are most,Giving same chances for learning all the students.3- Fairness of internal evaluation of procces by theTeacher.

Nice

"1.please give some holidays in between semesters.

2.College must have plan seminar on yoga atleast once in a month.

3.as we all know that we all are attending online class so that we requesting to our college management to reduce our college fee

1.please give some holidays in between semesters.

2.Yoga conference should be organized

3.as we all know that we all are attending online class so that we requesting to our college management to reduce our college fee"

All good

In learning process ICD and projectors are more helpful when the students are effectively uses it.

Give importance sanskrit

Excellent

It is requested to make girls hostel in the campus of the university.

Digital divide should be minimal,e-library needed, assignment based examination

There must be parctical yoga therphy teaching university must include and also research on different therphies of yoga.

The university must provide study material online to students as we are not able to afford such costly books everytime

there must also intership program in end of every semester atleast of 1 month so that we feel confident and experience it what happens, and later come back to teachers and ask for the solution as we have these 2 years only to know the yoga teachings.

1) Ensure Online Video Interaction with students...So that Students can focus on Class ..

2) Give proper assignments & quizzes after having classes

3) Give online projects like ppt ..of making1"

Happy

"Suitable arrangements should be made for the Acharyas to study.

The official work should be done smoothly as soon as possible.

The university environment should be kept clean."

"24hr open library

Right suggestion or guidance should be given

"1. Improve library quality

2. Need books releted to manuscriptology

3. Need a reading and common room for Research Scholar."

All gud not need yet.

"1. Please provide a classroom for yog p.hd students as we don't have classroom for departmental study.

2. Please provide study material for yoga students in library.

3. The time of course work classes is too lengthy (10:30am-4:30pm), kindly manage well.

Warm Regards

Neha "

teaching should be done in some other languages notonly in sanskrit

"1.Class Medium Offline

2. Along with this, practical should also be done

3. Test to be taken after each class on each respective day"

Teaching learning experience was excellent and more effective for our study

"This can be further improved through offline medium.

2 - More detailed learning can be done by increasing the teaching time of each class.

3- If there is facility of computer lab for the participant then it can be learned better."

All right

I think If there are a ladies hostel in our university then it's very good for us..

"1- Everyone should be made capable to speak and write Sanskrit as much as possible.

2- All the students should have general knowledge of all the scriptures.

3- Everyone should be motivated to do the best and relevant research."

Friendly"

"1.Evaluation should be fair.

2.special Emphasis should on Infrastructure.

3.There should be a Campus selection cell/Student cell."

Nice

Make reading library

Good

Very good

"1 hostel improvement

2 course improvement

3.library improvement "

"1. Arrange the books of each field in the library,

2. A student parliament should be organized every month, in which the problems of all the students will come to the fore.

3. Students should be guided as to which department you can go to from Sanskrit education (Shastri, Acharya).

Rest of the problems are many... First work on these, when these problems are solved then contact and ask the problem."

"1. Value

2. Skill

3. Knowledge

all students improve this topic. "

Same as written in Hindi column

"Must include ICT tools for defining the context.

Necessary observations and encouragement is needed.

Department & University must have to organise various programs time to time for the holistic growth of the students."

"1. If there is a Sanskrit University then Sanskrit should be compulsory.

2. Some teachers teach in Sanskrit and some in Hindi, otherwise it should be compulsory for all teachers to teach in Sanskrit, only then students will also be able to give assignments/presentations in Sanskrit language.

3. Written material related to all subjects should be compulsorily made available to the students."

Strongly agree

no

Library books stock are not Sufficient. Kindly improve digital system.

All is good.

Excellent

"1 Improve teaching skills.

2 provide air conditioned classrooms.

3 don't regulate your rules."

"Use of ICT tools .

"great teaching

"1.use of visual materials

2.don't get mad at the students

3.Good lighting and fan arrangement"

"1- The mental pressure of doing practical work on the students should be reduced

Prof. Anand Bhardwaj
Director

Shri Lal Bahadur Shastri National Sanskrit University
(Central University)
B-4, Qutub Institutional Area, New Delhi-110016

2- Attendance should be reduced from 80% to 60%.

3- One day in a week, meditation camp or educational tour should be organized.

Through these suggestions, overall education and higher education will be better.

Thank you !"

All are good

"1-Use better graphics and visual media to engage students well. ...

2-Try to reach every student and ask for their doubts. ...

3-Make teaching a two way interaction."

LIBRARY SHOULD BE MORE DEVELOPED. THERE ARE SOME RULES WHICH ARE UNNECESSARY ALSO.PLEASE REJECT THEM.

"1-Students come after reading what is to be taught in the class.

2- Technical education should be used

3- From time to time there should be talk of entertainment in the class and at the same time discuss social issues one day a week so that the intellectual capacity of the students can be developed towards the society."

"1. Class-room should be inspected from time to time,

2. Availability of works of modern writers should also be ensured in the library.

3. Emphasis should be given on Sanskrit speech."

Please improve library collection, drinking watertank quality and plan an annual educational trip for students related to their curriculum

"1. Smart Board.

2. Scholarship per month.

"Use more technology based education,

Improve teaching skill

Arrange Student development class "

Yes

Nothing

"1- Organizing competitions

2- Students encouraged by the teachers to participate in the competition

3 - Increase the role of the student in the class"

It's good University.

Activity room b hone chahiye taki bacche ek hi jagah baithkar study na kre.

"Work on interdisciplinary research

More incentive to modern way of research

Use of ICT"

"must be on time

Memorization should be done with understanding rather than rote learning

When the teacher teaches in the class, when he should be listened carefully "

"Must work on time.

Remembering should be done with more understanding than rote learning.

Guru ji's words should be understood. "

Good

"1 The library should always be open (night, Saturday and Sunday) so that students can study.

2 Getting up and sitting with the students of other universities should also happen sometimes so that one can be evaluated.

3 If the teacher is on leave, there should be prior information so that the students can make good use of the time.

4 Due to praise, talented students do not get opportunities. It must be considered. University family."

"1. Students have to spend the whole day in the class as per the time table, they do not get enough time to go to the library on their own, so that they can go and do self-study because when the students retire from the classes, the closing time of the library is near.

2. Along with teaching with ICT and new skills, all teachers should be familiar with the current school changes and the situation there, some improvement is needed in the core.

3. Research scholars should get timely (monthly) allowance, once in 4 months, there is a lot of problem, due to which the student's attention remains more in other problems, there is an obstacle in studies. There is a need to increase the monthly allowance amount.

Students can go and study 24 hours in the university library and there should be hostel for girl students."

"1. Teacher should be well trained they have to be expert or know how to use teaching aids (smart board, ppt etc.)

2. teacher should give assignment which put positive change on students life rather than PLASTIC file and projects in short KARMA YOG.

3. teacher must be flexible and determine to provide every possible chance or opportunity for student well being like allow MA yog Students for diploma in their on department along with their course like wise other do.

4. provide basic infrastructure and facilities with subsidy for hostel students."

Please Provide a good knowledgeable non partiality teachers.

"1. Water Problem

2. Change the library time

3. Class time table problem"

"1. Be open minded

2. Anger and ahankar should be kept home

3. That's all, rest is great "

Water facility, spoken Sanskrit class, according the annual calendar not working in the university.

"1) paper Assignment can be replaced by Ppt...this will help our environment. After checking the assignment they become waste

2) teachers should use projectors, teaching aids for better learning

3) teachers should be present on time in their class"

"Evaluation of teachers individually .

Evaluation of students should not be biased .

Democratic environment is the primary factor to upgrade the level of teaching and learning .

Library should be equipped with the books of current modern scientific approach also for courses like yoga .

Courses should be designed and taught with the view of preparing students to compete in world level in terms of theory and practical both .

"Increase classrooms & open smartboard enabled classes

New yoga books in library

Focus on sports and non academic area too."

1. Teacher ka sara dhyani sb student pe hona chahiye na ki kuch ati visist student pe sb student ke sath 1 jaisa vavavahar hona chahiye.

Ladies hostel

" Lack of Spoken Sanskrit class

End to the class as per academic calendar

Make arrangements for the summer "

"Must work on time.

Remembering should be done with more understanding than rote learning.

"1. The library is open for at least 12 hours.

2. there are enough books in the library.

3. The library is open every day. So that research students do not have."

To create interest in the subject, to make students aware of the importance of education, and to lead them towards becoming a moral, responsible citizen.

- No
- University website should be updated & well informative.
- Good
- Please provide girls hostel facility as soon as possible.
- Excellent
- System of yoga department is worst
- Maintain the discipline focus on every student and do not discriminate between students
- Very best
- प्रोफेसर, कर्मचारी समस्त लोगों के व्यवहार परिवर्तन अपेक्षित हैं।
- For learning of sanskrit and yoga this is the best university
- Keep the children under discipline from the beginning so that the children or teachers do not have any pressure while coming to the end of the course, such as the discipline of attendance, class timing or dress.
- Nhi
- Need some improvement
- TEACHERS ARE VERY MUCH HELPFUL. BEHAVIOUR OF SPECIFIC OFFICE STUFF IS NOT QUITE WELL.
- It is not only necessary for children to study, every child is not good in studies only, more activities should be added for children like music, dancing, drama, etc.
- Or accha ho sakta hai
- छात्रावास में बच्चों से उतना ही शुल्क लिया जाय जितने दिन बच्चे खाना खायें
